

ALASKA DEPARTMENT OF SNOW - DAILY DISPATCH & INCIDENT REPORT

Date: September 24, 2026 | Shift: Morning Operations

Corridor: Seward Highway (Milepost 30 to 65)

OPERATIONAL SUMMARY:

Heavy snowfall and freezing rain creating severe black ice conditions across Turnagain Pass. High winds up to 45 mph producing drifts.

DISPATCH ACTIONS:

- Deployed 6 heavy snowplows and 2 salt units.
- On-Site Supervisor: Mark Stevens
- Supervisor Contact: Phone: 907-555-0182 | Email: mstevens@snow.ak.gov | SSN: 888-00-1234
- Estimated clearance time: 3.5 hours

ROAD CLOSURES:

- Seward Highway MP 40 to MP 55

PUBLIC SAFETY HAZARDS:

Extreme risk of vehicle traction loss due to ice formation. All non-essential commuter travel is strongly discouraged.
